PUBLIC AND PRIVATE SCHOOLS IN MANITOBA

ENROLMENT ESTIMATES

1987 - 1991

Department of Education
Finance Branch
511 - 1181 Portage Avenue
Winnipeg, Manitoba
March, 1987

The Finance Branch of the Department of Education has produced an enrolment estimate for public and private schools in Manitoba. The intention of the estimate is to provide an indication of the direction and magnitude of future enrolment trends in order to facilitate the planning of financial requirements.

The estimating process is based upon actual enrolment information submitted annually by each school division and district in the Province of Manitoba. The actual enrolment represents the number of pupils who were attending public and private schools on September 30th of each year. Similarily, the enrolment estimate represents the number of pupils expected to be attending public and private schools on September 30th of each estimate year.

Housing starts are not included in the estimate.
